Ocean freight sea shipping from China to Philippines ...

Sunny Worldwide Logistics (SZ) Limited made a way to pick up our goods on time from our suppliers even if it was last minute so that we can catch our shipping date. Jim, our shipping agent/account manager, is very proactive. She willingly resolved all our issues with delivery timelines. She also coordinates with our suppliers and this made work easier for us. Items were shipped on time and got to us here in the Philippines within just 8 days. When claiming our goods in the destination warehouse here in the Philippines, the process was very smooth and no hassle from our end. We were out of the warehouse in 30 minutes. Their customer service is also very nice, attentive, and they reply right away. We are very happy and have partnered with them more than 2 times already and we refer Sunny Worldwide Logistics (SZ) Limited to our friends and family who need a reliable and trust-worthy water cargo forwarder. They will now be our only shipping partner from this day on.
